ÖFFNEN SIE HERZEN UND TÜREN!

Der Schlüssel – kaum ein anderes Objekt vereint so viel Symbolik wie das kleine Stück Metall, das uns tagtäglich durchs Leben begleitet. Er öffnet uns nicht nur Türen. Wir suchen auch nach dem Schlüssel zum Erfolg, zum Glück oder zum Herzen der Liebsten. Aus diesem Alltagsgegenstand ein individuelles Schmuckstück zu zaubern, war die Idee der Gründerinnen von KeeeART. So entstanden im Jahr 2003 die ersten Schlüsselkappen, sogenannte keetops, aus hochwertigem Silber – edle Handschmeichler mit Symbolkraft und einem Hauch persönlichem Luxus.

BRACELET Women for Women

Mojo Mandala
Women for Women
BSR034 CHF 40.-

Viele Frauen in Entwicklungsländern werden durch Säure- und Feueranschläge oder im Krieg schwer verletzt und entstellt. Die plastischen Chirurgen der Organisation «Women for Women» (ein Projekt der Internationalen Vereinigung der Plastischen Chirurgen IPRAS) operieren diese Frauen kostenlos. Sie lindern damit einerseits deren körperliche Leiden und verbessern andererseits ihr äusseres Erscheinungsbild. Und geben den

Frauen damit ein wertvolles Stück Lebensqualität zurück. KeeeART unterstützt das grosse Engagement von «Women for Women» mit der Mojo Mandala Special Edition: Das zarte Amulett in 925 Silber steht für Glück, das rote Band symbolisiert die Verbundenheit mit den Frauen dieser Welt. **50 Prozent des Verkaufserlöses** jedes Bracelets «Women for Women» geht an die Organisation der IPRAS. Solidarität macht schön.
